- Computer skills
- Customer service
- Teamwork

Education

« Technique Intégration Multimédia (TIM) » program

August 2023 - December 2027

Cégep de l'Outaouais, Gatineau QC

I acquired most of my IT skills through the TIM programme. For example: the Adobe package (Illustrator, InDesign, Premier Pro, After Effects, etc.); Divi; WooCommerce; Unity; etc.

Work experience

Cashier at the self-service checkout and at the conveyor belt

September 2024 - Today

Walmart -> 425 Saint-Joseph Blvd, Gatineau QC

At the self-checkout counters, I guided customers to self-checkout cashes, and if they needed assistance, I was happy to help them. At the conveyor belt checkout, I welcomed customers to my checkout to serve them. At the end of the day, we cleaned the checkout counters and did other cleaning tasks.

Volunteering

Volunteer at Outaouais en fête

June 2024

Parc des Cèdres -> Raoul-Roy Street, Gatineau QC

During the long Saint-Jean weekend, I prepared and served meals to the other volunteers. I was also assigned the role of security guard for the inflatable structures.
